Med

The eye exam won't last long. Neither will the vision clinic.

You're busy enough already—so we've partnered with a local eye doctor to offer a temporary, fully-equipped vision clinic right here.

EXAMS

- 20 minute comprehensive exam by a local optometrist.
- Access to sophisticated technology to help identify even the slightest vision issue or early signs of some serious health conditions.
- In need of a contact lens refit? Bring your current contact lenses and contacts box.
- Conveniently pay with cash, credit or debit for any copayments.

EYEWEAR AND CONTACT LENSES

- A full pop-up shop with hundreds of brand name frames to choose from and delivery to your home or pop-up clinic provider's store.
- Easily apply your benefits and extra member discounts at check out.
- Credit or debit accepted for out-of-pocket eyewear expenses (if any).

When

September 18th – 21nd
