

*The Education Accountability Act Has Set the Goal of 90% of Students Being Proficient in Math by 2010*

**To reach that we should be here.....**

**Goal 2010: At Least 90 % of Students Proficient in Math**

**Goal 2010:  
At Least 90% of Students Proficient in Math**

**.....but instead, we are here.**

*The Education Accountability Act Has Set the Goal of 90% of Students  
Being Proficient in Math by 2010*
