Subject: Arthrex, Inc. coming soon to South Carolina ~ Website email from Ashley Brunner

---

Good morning, My name is Ashley Brunner and I am with Arthrex, Inc. from Naples, FL. I am reaching out asking for assistance in retrieving Lieutenant Governor's, Kevin Bryant, email address. Arthrex is coming to South Carolina soon and creating over 1,000 jobs for the people of South Carolina. We had an announcement ribbon cutting ceremony a few weeks ago that Henry McMaster attended with our President, Reinhold Schmieding. We are looking to obtain his email address so that we may send him updates with Arthrex's construction, jobs, information and timeline. Thank you!  
Best, Ashley Brunner
