---

Good afternoon members-

NASUAD will be hosting an all-state webinar on an innovative program to help fight senior hunger entitled, ***“What a Waste”***. ***“What a Waste”*** is sponsored by the National Foundation to End Senior Hunger and is an anti-hunger initiative for community-based nutrition programs that reduces food waste, increases program efficiency and helps the environment while providing new sources of healthful foods to those in need. During this all-state call, states will hear from Washington, D.C. Director of Aging John Thompson on his implementation of the What a Waste initiative as well as learn how to get more engaged in this effort.

Additional materials will be forthcoming, but please save the date and time. **Friday, November 21, 3 p.m. Eastern.**

**888-346-3659**  
**Passcode 33688**

Please feel free to call me if you have any questions.

Thank you!

Martha
