Dear Governor Haley,

Thank you for supporting the continued expansion of the Healthy Kids Dental program.

Your support ensures that young children in Kent, Oakland and Wayne counties will have greater access to dental care. The Healthy Michigan Plan has been lauded as a national model due to its proven return-on-investment. Prevention of early childhood dental disease can save not only in healthcare costs but in lost school hours and lost work hours for parents as well. Your continued investment in the well-being of Michigan's children is much appreciated.

Sincerely,
Donald Smith
