Subject: See how the City of Pompano Beach uses technology to simplify processes

Hi Tony,

When agendas for public meetings come close to 2,000 pages long, can moving to a digital agenda management and delivery system be considered a matter of looking out for the health of public officials?

For the City of Pompano, it can. Since they've partnered with Granicus, processes have improved and become easier.

Find out how the City of Pompano is doing this by [downloading the case study](#).
