"Is it conspiracy theory that ISIS is an outright manufactured terror organization created by the United States?
In the below links, you will find numerous, documented false flags around the world throughout our history. Additionally,
Pete researched and discovered documented proof that U.S. Government officials have openly suggested creating
false flag terror organizations to commit fake terror events."

"The McAlvany Intelligence Advisor", October 2014

- An in-depth monetary, economic, geopolitical and precious metals analysis

Excerpts ["S.L." selected emphasis]:

P.2 - "How else can you explain **America's funding, arming and training of al Qaeda and other fundamentalist terrorists** over the past 25 years and **more recently the arming, financing, and training of the vicious, sadistic ISIS butchers** (whom we are now bombing in Iraq) ?"

P.2 - "Introduction - 2. THE AGENDA OF THE AMERICAN GLOBALISTS: **WORLD GOVERNMENT**"

"Their long-term goal, ..., is **world government** - a global socialist (think fascist) high-tech, global dictatorship or police state run by and for the globalist elite."

P.2 - "Introduction - 3. A 238-YEAR-OLD STRATEGY: CENTRAL BANKS AND WARS"

"The goal of the Illuminati was (and still is) **world government**, which they or those who followed after them would bring into being and which would ultimately be led by their supreme leader - Lucifer.'

[Do you understand Christians !? The **New World Order** is real, and it is satanic, and therefore should rightly be resisted by Bible-believing, Bible-obedient Christians, **especially by Christian MEN** !]

P.3 - "Introduction - 3b. PLANNING FOR **THREE GREAT WARS**"

"Out of the chaos and ashes of that **third great world war** would arise from the ashes (like the mythical Phoenix) their final **world government**."

PP.6,7 - "B. 3. AMERICA'S SECRET ARMY"

"These off-the-radar operations can include guerilla warfare, coups (i.e., regime change), assassinations, and secret warfare. **Such are often done at the behest of the CIA (A classic example is America's secret arming and training of ISIS in Syria, starting about two years ago.)"**

P. 7 - "C. ISIS TERRORIST CELLS ARE PREPARING TO CARRY OUT DOMESTIC TERRORISM IN AMERICA"

"The CIA sponsored ISIS is providing the reasons for a "justified" incursion into Syria in order to stop ISIS."

PP. 7,8 - "C. 1. THE INSERTION OF ISIS TERROR GROUPS INTO THE UNITED STATES."

"My DEA source has implicated the **Peruvian drug cartel, the Sanchez-Peredes cartel** as the arms and drug supplier to **the Sinaloa cartel**. The Sanchez-Peredes get their arms from **Hamas**, and are also tied into the **Muslim Brotherhood, al-Qaeda, Hezbollah, and the CIA-created ISIS.**"

"Speaking of ISIS, which is a hybrid organization comprised of every terrorist group mentioned in this article, **ISIS is rampaging across Iraq and into Syria armed with abandoned American military equipment which should have been destroyed when our troops left Iraq. And with arms directly provided by the Obama administration over the past couple of years,** **ISIS is everywhere."**

"ISIS has engaged in the PSYOPS beheading of James Foley, Steven Sotloff, and on September 13th a reporter from the UK, David Haines -

and the murder of untold number of Christians in Iraq and Syria. In this respect, they are copying Muhammad's technique for conquest -

intimidation, slaughter, and subjugation. **The ISIS PSYOP is stirring the American public into war fever, and will provide the impetus for Obama to get what he so desperately needs in order to satisfy his globalist handlers, which is a way into Syria.**

No doubt, Russia will respond militarily, and the hostilities leading up to WWII will commence. The **ISIS PSYOPS**
