It's not much notice (and you may well be taking some well-deserved post-session time off), but do you have a couple minutes either tomorrow or Friday for me to come by with Valerie Sakimura and Rachel Card (and possibly Josh)?

We're already a little ways into the process of outlining the FY 2014-15 Executive Budget, along with the related policy initiatives, so I wanted to (1) share some of our first thoughts, (2) get a sense of what you might be advocating next year...although I know it's early...and (3) talk a bit about what kind of data we're hoping to get our hands on, as we continue our research.

It wouldn't be anything formal...just kind of a hello/kick-off meeting. Thanks.
