Good Afternoon:

Dr. Tyra Ellis, Orise Fellow, Office of the Assistant Secretary for Health, Region IV, is working to implement the ***Million Hearts Initiative*** across the territory. We thought it would be beneficial if we could solicit your leadership by reaching out to you and your stakeholders to become Million Hearts partners (i.e., Take the Pledge via the link below). This link diffuses messages that heart attacks and strokes can be prevented. Please take the pledge and pass along to your stakeholders. Individuals who belong to organizations such as churches, clubs, businesses, sororities, fraternities, etc... may sign both pledges – the individual and one for their organization.

TAKE THE PLEDGE and Pass along!!!!
