Dear Brothers and Sisters,

Governor Robert Bentley and Chief Justice Roy Moore are showing signs of interposition to defend their state constitution regarding marriage. A federal judge has trampled their constitution in her ruling, but unlike other governors and state officials across the country that have just bowed their necks to this tyranny - the magistrates of Alabama are doing their duty.

Click on the link below to read the story AND to get the contact info for both Governor Bentley and Chief Justice Moore so you can assure them of your support for their just actions:
