***"I have set you as a watchman on the wall,
To hear the Word at My mouth and repeat it to the people...."***

Scriptural song given to Julie Rider by the Lord in November 1993

Dear friend, Happy New Year!

We hope you're sitting down for this one. We're sending it early because of San Bernardino. Read on.

"THE DECEIVER DECEIVED"

Friday, 9 October 2015: The God Who sees and knows all gave Julie Rider this detailed revelation of Barack Hussein Obama by tongues and interpretation.

"The illegitimately-elected ruler of a government gone wild has done more damage out of sight of the people than he has done in the daylight, says the Lord. He is ever a man of darkness who moves most comfortably in the night. He has never been what he seems to be and is not who he says he is. He is a man of unsavory ways and vile affections. He is a usurper; he took a place to which he had no right. He is an enemy of all that is holy, a man of dishonor and darkness and dirt. He is a lying mouth for the ones he serves, a keeper of dirty secrets, and he has no intention of stopping only halfway to his goals.

"The ones who chose him for his color have despised him from the beginning, using him only to further their goals and to make their claims. He is ever a tool and a dupe with no eyes to see the way they see him. He is merely a hide worn by another, a costume, a mask, and a ploy. He has no understanding of this, for he cannot see to the heart of anything, and everything that is done is hidden from him in the same way he hides in the darkness. 'The deceiver deceived' is the tale of his life and the sum of his worthless story.

"His evil is great and his heart is black. He's a rod I have used to smite the back of the monstrous whore who chose him well to lead her closer and closer to hell. He is false in his words and false in his heart; deceit is his talent, deception his art. He is all that I told you and less than you knew; he walks blindly and stupidly, without a clue. He was nothing of worth but was just what they wanted; he leads them toward misery, brash and undaunted. He's terribly less than the nothing you see, the perfect exemplar of Monstrosity. Thus saith the Lord. Amen and amen."

This is by far the most comprehensive revelation of Obama we have received. It was given to Julie before the Conversation, a departure from the usual routine. Another Word follows the Conversation.

Two previous Conversations concerning Obama are also included. Then two Words from a few years ago are posted. What will the Lord say next about the lying, illegal alien in the White House?

The Lord began initiating Conversations with Julie in January 2014, after several years of preparation and training. He also speaks Words to her on a daily basis, the number of which varies by the month.

And after Obama, who? It will be another pretend American. **Details will follow in a future mailing.**

"As Noah preached righteousness till the Flood, so shall you preach righteousness till the Rapture."

Word of the Lord to Gordy Rider, July 1986

“HER BLOODY BELOVED”

Monday, 16 November 2015: The bloody footprints left in Paris are pointed Monstrosity’s way, the Lord warns Americans in this blood-chilling revelation given to Julie.

“The things you see going on in the world around you now are clear representations of what is in the hearts of the ones who follow a false way, says the Lord. The darkness in the hearts of men calls forth dark deeds, and wherever the dark ones bring forth their work, they manifest the nature of the dark god they serve. His bloody career may be tracked by the bloody deeds his followers carry out, for they are steeped in blood and set on bringing blood to the whole earth. Men of blood serving a god of blood wreak havoc wherever they go. They are bloody-minded followers of a god completely insane. In time, they will find a land to match their madness.

“For Monstrosity has prepared herself as a bride to receive her bloody bridegroom. She is decked in her ornaments of insanity and is clothed in a gown of madness. For long years she has prepared her heart for a union of blood and insanity, and she waits excitedly for the day she knows must come. When at last her bridegroom comes for her, she will greet him with open arms. Her wedding feast will be one of blood; the food on the table will be her citizens. Monstrosity and her ardent bridegroom will feast well in that day, and the consumption of her people will be the consummation for which she has waited so longingly. But her wedding day will be more and less than what she has promised herself.

“For Monstrosity’s bridegroom will not be content merely to consume her people. When he begins to savage her, she will cry that he has broken his wedding vows. But the man of blood cherishes no one but his bloody god, and he will bite and rend her. He will use and ravage Monstrosity foully, for broken promises mean nothing to him. She is destined for the same fate he has ever handed out to the ones he has conquered, and a greater lash than any he has used before will fall upon her back. Her land of dreams will become the land of nightmares, and her new name will mark her burial ground.

“Ponder Monstrosity’s love story. Consider her foul romance. Know that her rulers are betrayers and thieves, and understand well what is coming. For Monstrosity’s wedding day is a horror prepared, and each day that passes brings that day closer. Work quickly to call your countrymen to the safety of shelter in Me. Work while she waits for her bloody beloved to come to her bloody embrace. Thus saith the Lord to His watchmen this day. Amen and amen.”

The Lord began warning us in June 2013 that the Assyrian was coming, and in August 2013 He gave Julie a Word titled **“My Final Judgment.”** These bloodthirsty men *are* this final judgment, and they will arrive during the reign of the **Mad Queen**, herself a bloody woman. They will truly be yoked together equally.

Notice that the Lord defines Islam as a *“false way”* and their Allah as a *“dark god”* and a *“god of blood.”* This god is none other than the devil, the god of this world. Jesus identified him as *“a murderer from the beginning”* (John 8:44), and he still incites and inspires his children to murder (even “legally”).

So expect the bloody footprints of Paris to be found in Monstrosity before long. There will be no defense against what God has ordained for the nation that *wanted* these spirits, these devils, instead of Him. You beasts and monsters and whores *wanted* the insane god instead of the God of a sound mind. Monstrosity, it’s like father, like sons and daughters; this is why you’re insane. It’s also why you’re traitors.

San Bernardino is just the latest, and there will be NO “overcoming ISIS,” as you very well know.

Many more judgments are ahead for the nation of fools and madmen. Violent crimes will only increase in their ghastliness as demonic manifestations break out everywhere in Monstrosity. No, they aren’t “mental issues,” psychobabblers; the root cause is *spiritual*. But you, with no concept of God, can’t understand or believe this truth. So, fearfulness will rule in every corner of Monstrosity, and the land will be savaged.

Say, Democrats; just how *did* that alien turtle in the White House get up on that fence post? Read on.
