Charges filed through a hatred for education are not what I would call legitimate legal action. The citizens of Berkeley County, BEWARE!, you are being duped by politicians looking to run your county irregardless of a vote by you. This is a dangerous practice that will set a precedent that will endanger your county and will spread to other areas of your civil rights. If these vicious people will make a case such as this, they will continue to do this to get what they want. Take a stand now and put a end to this type of political prosecution. Amy did nothing wrong to warrant this type of personal attack. The danger here lies in the fact that one person along with their partners can run your county the way they want it to run. Make sure this does not happen and add to this petition, take back your county.

This is truly SC politics at its worse, a witch hunt. An absolute waste of taxpayer money.

Please let's see the FACTS! Politicians always have a hidden agenda! Let's see what their 'real reason' is for this push. As an educator I've seen time and time again Teachers lives ruined just on hear-say accusations. Fact..Just the FACTS!!

I am signing this because I am a personal friend of Mrs. Kovach's. Perhaps more important, I am signing it because it is a gross misuse of power and a situation that could happen to any one of us living in S.C.
