This is great!

I hope project Dixie is able to come.

I am checking on the closest drop off by DePaul house – what is the address of the house? 2 St. Andrews?

Katherine,

I've attached a spreadsheet with local contacts for each company along with requests for Governor meetings. We will, of course, provide full information for the meetings. I just have a quick sentence included here. After a meeting with the PMs this morning, we are now requesting 6 meetings.

I have followed-up with the Port to ensure Byron was invited. They are still trying to see if Jim Newsome can attend. They want to know the last possible date to provide this information.

I will have feedback from the PowerTeam tomorrow and their players.

I also have word that one of our larger projects is now considering attending. Project Dixie (\$300 M and 300 jobs). I am working very closely with them to get a feel for the likelihood but this would be 2 playing spots and a Governor meeting. I'll try to confirm this week. I think housing is being taken care of by the County (Greenwood).

Thanks,

**Jennifer E. Noel**
