Katherine

Thank you very much for arraigning yesterday's meeting to discuss our concerns regarding the costs of property insurance in South Carolina. Please convey my thanks to Ted Pitts the Governor's Chief of Staff as well.

I greatly appreciate the time you have invested in helping our group with this issue.

With the lines of communications open I look forward to more discussions with the Director Framer and Ms. Gwen Fuller-McGriff.

Again thank you very much. Gail and I wish you a Merry Christmas and Happy New Year.

Regards,
