Good Morning Parky People! Happy Monday! Another hot one this weekend. Tell me, do you have any interesting or innovative inventions or ideas that you use to keep cool while camping at or visiting our parks? Share them!

**Gayle Maas** Water water and more water!

**HollyAnn Crowe** My cub scouts braved the heat and camped this weekend @ Lake Greenwood. We had a great time. We kept the water bottles filled and battery tent fans helped while sleeping.

**Jay Moore** I have hooked up a window AC unit to a window in my tent before. Lots of duck tape and a couple extra tarps.

at 15:44:28 on 7/12/2010 UTC

**Mike Sherwood** about 25 geocachers from all over the state gathered @ goodale state park to do some paddling and find one of the best geocaches in SC "Lost in the Swamp"

**Misty Scott Luallen** Box fan in the tent... bought the Coleman with lots of screens! Otherwise stayed in the ocean. Great place though.
