Hi Gov. Haley: I have been trying to get help and I don't know how to get it. I am disabled and need dental, eye, and vehicle care. I am thankful for my disability and medicare every day. I never thought I would be in such financial distress as I was a Critical Care RN, but I am. I have worked my entire life, but can't now. I paid taxes all my life and now I can't find help. If there is anything you can do to help me, I would greatly appreciate it. Thanking you in advance, Cynthia Leopard (843) 509-2363.
