Good morning,

Attached is a first cut of the document that the SCDR will use to brief legislators and community groups regarding the proposed implementation plan of the CDBG-DR fund we requested and received from HUD. Col. Shwedo and I talked yesterday and some changes from that discussion are reflected in this document, but I still want everyone to take a hard look at the FAQ. I intend to rewrite/consolidate some of these questions and would appreciate any feedback you have. Also, if you have FAQ suggestions, I would appreciate them.

This document will begin circulation Friday.

Thanks,

Josh
