Katherine,

Our paths crossed in the Governor's football box when I was hosting Miss South Carolina at the game . I hope you are doing well. I have a question that I trying to sort out. I think I contributed a total of \$1,000 to the Governor's Campaign this year, but I am not sure all of the checks got processed. Perhaps you or a colleague can sort this out for me. I would appreciate your help. I hope our paths cross again soon. Thank you. RDE
