We'll pass. Please loop Tori Beth in on this, just so she's aware.

No idea who he is or what gave him the idea to contact us about it. My best guess is that I called him when I called around asking if the LG could come on talk shows about the gas tax.

We never got to talk about this. Do you know anything about this? He'd probably be glad to do the letter, but I don't know that we've ever even talked to this person.

I just received this and presume to tell him that I'll talk with the LG, and that I'll be able get back with him later.

Good Morning!

I have a favor to ask of the Lt. Governor. I am up for The South Carolina Broadcasters Association Radio Show of the Year and Radio Personality of the Year. Can I get a letter talking about the importance of the show to the community? Maybe he could throw in a sentence or two about how I stayed on the air all during hurricane Matthew to make sure everyone had all the information they needed to get through the storm.

Thanks so much.
