Hey everyone – So far we've got a bipartisan group of eight governors on board this letter to Congress urging reauthorization of the Export-Import Bank. We'll plan to hold it open for a few more days for additional signatures, as I know many of you are currently running the traps in state capitols.

I hope your Governor will sign. Please let me know by COB Friday, June 6<sup>th</sup>.

Call with any questions.

Thanks.

-Sam
