Adrian,

Thank you for your email. I am happy to take a look at the Governor's availability to attend Community Readers Day at Boiling Springs Intermediate School. What is the date?

Nicole

Subject: Governor Haley is invited to our school

Good afternoon,

I wanted to extend an invitation to Governor Haley to come and be part of Community Readers Day at Boiling Springs Intermediate School. The event aims to bring in prominent members of our community to highlight how important reading is to success! We would love for Governor Haley to read to one of our 5th grade classes at 8:45 and another at 9:15.

I hope to hear back from you with a YES! Thanks for your time.
