The Honorable Nikki R. Haley
Office of the Governor
1205 Pendleton Street
Columbia, South Carolina

Dear Governor Haley

My name is Logan, I am in the 3rd grade and I am Home Schooled. I was watching TV with my family, we were watching the news. They were talking about kids not getting 3 meals a day. My family told me a lot of kids get breakfast and lunch at school and then they don't get anything else to eat until they come back to school again. They told me this is because they are poor. It made me sad, very sad.

I was hoping you could help me to know they are getting something to eat. I thought maybe you could make an after school program where they could do their homework and play for a little while and then they could get something to eat before they go home. The bus could take them home then instead of right after school. I thought you could have someone there to take care of the ones who get picked up by their parents until the parents got there. This would help the parents to, they could work and make more money to help buy food for when the kids weren't in school. The kids will do better if they aren't hungry.

Please, please, help these kids to get something to eat. If I could, I would bring them all to my house for dinner.

Thank you for reading my letter and your help.

Sincerely,

A handwritten signature in blue ink that reads "Logan Haxton".

Logan Haxton
