Lt. Gov. Bryant, I hope you will not think my request is too trivial, but it is very important to me. Agency for Healthcare Research & Quality (AHRQ), a division of DHHS is seeking new members for their National Advisory Council, and I have submitted my self-nomination. I have also asked Senators Graham & Scott and Congressman Gowdy to support my nomination.

IF my request is worthy of your consideration someone in your office can respond by: Please contact Jaime Zimmerman, AHRQ via NationalAdvisoryCouncil@ahrq.hhs.gov The deadline for support is Monday August 28.

I begin Clemson Graduate School classes in the Department of Applied Health in 2 weeks, and I am doing everything I can to contribute to the efforts to improve the quality of healthcare and patient safety, and I believe my becoming a member of the AHRQ National Advisory Council would be beneficial to my efforts.

Sincerely,

Ira
