Thanks, all for this wealth of information. Just one thing: generally, on these bios we have dates for years of employment. In her memoir, Gov. Haley notes that she worked at FCR straight out of college – in 1994 -- and then went on to work at Exotica, but it's not clear when she stopped at FCR and then began at Exotica. Any help would be greatly appreciated on this. Thanks again,

Jon

Hi all, we're trying to wrap up the piece on the governor, and I'm working up a bio sketch for the piece. I'm sending it over to make sure we have all dates and titles accurate, and I also have some questions on employment [see highlights]. We have that the Gov. worked for FCR Corp, the recycling firm, starting in 1994, but we weren't sure when that ended. We also were unclear on dates of employment for Exotica International and final job title there.

Our deadline is COB Thursday.

Thanks again for all the cooperation and best of luck tonight!

Jon

Hi Chaney, I'm a reporter for CQ Roll Call. We are embarking on a project tentatively titled "The 25 Most Influential Women in State Government" -- and Gov. Haley has been selected by our editors here as one of those influential women. We are doing profiles on each of the 25, and I was hoping to speak with the governor in the coming week. If she has a few moments to speak over the phone, that would be terrific.

My deadline is close of business, 12/18/15.

Many thanks, and hope you have a great weekend!

Best,  
Jon
