Subject: Race to the Top-Early Learning Challenge Technical Assistance Webinar Slides and Corrected Application Page

Dear Governors and State Early Learning Colleagues,

For States that are planning to apply for the Race to the Top-Early Learning Challenge program (due October 16, 2013), we wanted to share the slides from the September 26 technical assistance webinar. These slides are also posted on the RTT-ELC website, along with other applicant resources, at <http://www2.ed.gov/programs/racetothetop-earlylearningchallenge/resources.html>. Please note that we recently posted detailed FAQs for this competition at <http://www2.ed.gov/programs/racetothetop-earlylearningchallenge/faq.html>.

In addition, we wanted to call your attention to an error in Table A(4)-1 of the application. The years in the table, 2012-2015, should be amended to 2014-2017. A corrected page is attached to this email and will be posted on the RTT-ELC website at <http://www2.ed.gov/programs/racetothetop-earlylearningchallenge/applicant.html>.

As a reminder, Notices of Intent to Apply are due today at [RTT-ELC.P3.Competition@ed.gov](mailto:RTT-ELC.P3.Competition@ed.gov), and we strongly encourage States to respond.
