Friend,

Last quarter was a huge success. Because of your help we were able to reach our goal. Thank you so much for supporting us.

However, now that it's over, and we've started a new quarter...

**It's time to hit **reset****  
And start fundraising again.

With each passing week, we get closer and closer to November. The election continues to heat up, and the importance of growing our network of grassroots volunteers multiplies. We all know that Senator Harry Reid is desperate to hang onto his Majority – and he's going to do anything he can to defeat us and secure his numbers.

**Can we count on you to pledge your support and chip in today?**

Thanks for helping out,

P.S. Just wanted to say thanks again for helping us out last quarter. We really couldn't have done it without your help. I hate to have to ask for your support again so soon, but with the way our online supporters stepped up last quarter, I'm confident we're going to stop Harry Reid and win in November.
