Subject: South Carolina State University Financial Information

I have attached an updated cash flow projection from SC State through March 31, 2014. Also attached is updated aged payables information through March 31, 2014. The Budget Office will be sending a summary of this information and a status of their progress in working with SC State shortly. The Budget Office is waiting on additional information about the university's restricted funds and will hopefully be able to provide that information at the liaison review on Tuesday.

I hope this will be helpful to you as you consider the SC State agenda item.

Thanks,  
Marcia
