Subject: CBS Tentative Schedule for SC

Hey guys –

I've listed our tentative schedule below. I highlighted the information we're awaiting from you.

We should have a list of all CBS staffers who will be on site by tomorrow. I'll send that to you as soon as I have it.

When you have a moment, please let me know whether or not the Governor will need makeup.

Also the editorial information on the events we're seeing Friday, the list of potential 2016 candidates that have met with her, and the issues she's been working on in the state. I'd love to be able to give that to Norah tomorrow so that she can look over it this weekend.

Let me know if you have any other questions for me. Thanks! Jenna
