Parental Kidnapping, Concealment, Fla 12<sup>th</sup> CKT, Fraud Per 45 CFR 312.56 Means Foreclosure

By Cyrus King

SARASOTA 2017- The Sarasota Twelfth Circuit, Florida Dept. of Revenue (DOR/CSE), Child Support Enforcement seizes garnishments for fraudulent child support arrears of a fraudulent \$122,000 under the color "child support arrears." The garnishment against a single dad's Social Security retirement allegedly violates Federal "opt-out" in F.S. § 222.201, *In re Crandall*, 200 BR 243 - Bankr. Court, MD Florida 1995, *Sykes v. Bar of America*, 723 F.3d 399, Second Ckt.

The garnishment of the amount of \$914 out of the total amount of \$1409, forces the low income dad to the brink of homestead foreclosure and homelessness. The dad claims the Florida Dept. of Revenue failed to perform the required downward modification in 2006 and 2013 as required in 45 C.F.R 312.56 and F.S. § 409.2564. Florida failure now runs the impossible sum to approximately \$122,000 an amount which the dad has no ability to pay, does comply with state and federal guidelines, *Soloman v Solomon*, 861 So. 2d 1218, Second DCA 2003.

1. The mother Lizabeth Lynn Lotsey DOB engaged in Parental Kidnapping 28 U.S.C. §1738A and Child concealment F.S. §787.03, violating home state jurisdiction of San Mateo, Ca case #F057928.
2. Florida subsequently, improperly took jurisdiction as well as engaged in back-door child trafficking of the dad's child, Sarasota 12<sup>th</sup> Ckt case 2000-DR-0011981-CA.
3. Lotsey perjured herself in the Florida UCCJA affidavit, saying "no other legal proceedings are pending in any other state."
4. Florida improperly took jurisdiction, then continues to enforce void judgements, has failed to assign required visitation by court order, nor allowed any resemblance of an evidentiary hearing to properly comply with calculations of required child support guidelines, *Wehunt v. Ledbetter*, 875 F. 2d 1558 - Court of Appeals, 11th Circuit 1989.
5. Florida has criminalized Parent Child contact and communication, destroying the Constitutionally protected Parental Rights, *Troxel v. Granville*, 530 US 57 - Supreme Court 2000.
6. These facts are fully documented in Public Record: Sarasota, Fla 12<sup>th</sup> Ckt case 2000-DR-0011981-CA

6. Objection to Claim 2-1. The voluminous series of conspiracies and legal abuse is too long to provide much detail; ie, you would be buried.
7. Call to action: this is organized crime [RICO] under the color of family law / child support. The result is child trafficking under the color of family law. The oppressive nature triggers Veteran Suicide [22 per day] and suicide of WTP who are unable to navigate the heavy hand of these so called "family courts". The scope is thousands of Florida residents and 24.5 million children who never see or hear from the other parent. See <http://www.SaynotoPAS.com> where Dr. Mario Jimenez M.D., an outstanding dad as an M.D. in good standing, has also endured the destruction of his family in Miami, FL.

This corruption in our family courts must end. This is the responsibility of the Dept. of Justice to investigate and prosecute this crime syndicate. You can no longer say you don't know about the problem or the abuse. Millions of Veterans and children are pushed past the brink of suicide. Either you are a part of the solution or part of the problem.

Respectfully,

## Man Committed Suicide In McHenry Jail Cell: Source

**He was facing immense child support payments which he could no longer afford, according to the source.**

**NO THANKGIVING:** A Woodstock, Illinois man ordered to pay an outrageous \$20,000/mo child support committed suicide in jail. He was imprisoned because he got fired making 260 court appearances trying to get his child support to a reasonable amount. The enormous financial stress was unbearable. How dare we let our government destroy men like this? The Judges involved should be fired and tried for murder (manslaughter, under color of law.) People should protest and raise hell until they are gone!!
