...NDC's Professional Development and Online Training Courses

As an NDC certified Economic Development Finance Professional (EDFP), Housing Development Finance Professional (HDFP) or Rental Housing Development Finance Professional (RHDFP), you are recognized as a leader in your field. Keeping your certification and skills up-to-date will enhance your peer recognition and, most important, your ability to serve your community and your organization.

NDC certified EDFPs, HDFPs and RHDFPs are required to recertify every three years. Individuals who complete three units of approved activities will fulfill **NDC's recertification requirements**.
