My mom will turn 65 in May. Can she get the senior discount on top of the discount tonight if she sends you a copy of her ID? She was not able to go to a park today

You must already be 65 and the double discount was only valid in a park.

We have 1 more park to visit before we become Ultimate Outsiders!!! We are sooooo excited!! Planning on visiting our final one, Kings Mountain this weekend! It has taken us 14 months to visit all 47! It's been an incredible adventure and brought out our inner hiker we never, ever knew existed!! We have a 5 year old and 3 year old twins that love to go hiking too and see what every park's trails have to offer! It is truly incredible how different each park is and how they all seem to have their own "personality." Just had to share my excitement about visiting the last one!!

Aw! Thanks for sharing! Sounds like y'all had a great time! The parks definitely have their own "personality." That's a great way to put it. That's why Ultimate

Outsiders are so special. Once you have been to all 47 -- you see and understand this! Glad you have enjoyed the journey and congrats -- you're almost there!

Hi! John Wells at sesqui took our family pic on Monday when we turned in our girls' ultimate outsider form and just wondered when it'll be posted? No rush, just looking forward to bragging 🥳🥳

Will park passports still be available at local libraries in 2022?
