I would like to see some more of the brave Nikki Haley that called for the flag to come down after the Charleston shooting. Speak out against the hate and racism against these people who have indured so much. Your own parents were immigrants and there have attacks on Sihks by some of these

ignorant people who think that if you look a little different and your skin is a little darker, you must be Isis. As a resident of Bamberg Cty, I was acquainted with your parents both of whom are fine people. All of us came from immigrants at one time or another. It would really be refreshing to see someone in our government do the right thing just because it is the right thing to do.

Hope your family has a safe and joy filled Christmas season.

Sincerely, Hazel McMillan
