Subject: Priority spreadsheets

Jimmy - Here are the 3 xls that we have been working on. Tomorrow we can
assign the work priorities for the developers.

Jim/Joel - There are still a few items from the state xls to move on to the
Top priority list but they are a lower priority.

(See attached file: State System Issues 10032002.xls)(See attached file:
PHXTopListReadyforTest.xls)(See attached file:
PHXProrityList10_02_2002.xls)
