Thanks – we have that on our calendar.

General Turner will make an opening remarks. I want to make sure that the report on the Department and the Director that you mentioned earlier will not be required until the May timeframe. Thanks.

Joe

Joe, just as a formal request, Senator Ryberg would like for Director Turner to come to the LCI full committee meeting on Jan 12th to discuss the state of the agency. The meeting will begin at 9:30 in Room 308. I anticipate having a few board appointments for screening that day, and Senator Ryberg would like to hear them first, but that should take no longer than 20 minutes.

Aside from general remarks, Senator Ryberg would like to hear specific updates on the issues that we've been discussing including those to be reviewed on the 10th. Thanks, and let me know what you need from me.

Danny
