Merry Christmas from our family to yours!

The last eight years of our lives have been filled with unforgettable experiences that our family will cherish forever. We will always be grateful to the remarkable people of Louisiana and we are truly humbled by your prayers, kind thoughts, and gracious support during this journey. They have meant more to our family than you can imagine, and our prayers of gratitude go out to you this holiday season.

Louisiana's future is brighter than ever because of your support. It has been an absolute honor to serve the people of this state and we're looking forward to what the future may bring.

May God bless you and your family during this holiday season and may your New Year be filled with love and happiness
