Campaign for Liberty State Coordinator Endorses Bright

Hello ,

How do you combat an incumbent with millions in special interest money?

Gaining the support of the grassroots networks is pivotal to any campaign. This is why we here on Team Bright are excited to announce the official endorsement from the Campaign for Liberty state coordinator, Talbert Black!

Talbert is a fixture at the South Carolina State House, always pushing state legislators to stick to their conservative values. **But there's one legislator he knows will always vote for liberty: Lee Bright.** To watch the video of Talbert's glowing endorsement for Lee, please scroll down and click the link below!

This endorsement is just one of many, as Lee continues to gain wide grassroots support across the state. In case you haven't been able to keep up, [here's a growing list of grassroots accomplishments:](#)

- Latest polls show Lee is the frontrunner against Graham by incredibly wide margins
- Lee has won numerous straw polls! This includes the York County GOP straw poll, Sumter Tea Party straw poll (unanimously), GSP Conservatives straw poll (after a candidate forum), Laurens County Tea Party straw poll (after a candidate forum), along with several others.
