Never mind, I see it is regarding the event covered in the press release you sent me yesterday. That sounds good though, I'll contact Hank about the camera this morning.

I need you to attend this event. You'll be reimbursed for mileage, and you can eat with us at the next stop. Please contact Hank and get the camera before you leave today. See, too, if they have a tripod. Thanks

Ok. I don't know that I am going to be able to make it with Senior Day planning, but I will try.

Do you have anyone in mind as a back-up? Is Hayden going? I know Gerry is going from here, too.

I will plug it in to charge in the meantime.

Please bring your video camera to record the event. It'll be good for social media, etc.

Yes. It was distributed yesterday. Today, Andrea and I are making follow-up calls. Then, I will also send it out again early Monday morning as a reminder since the event falls on the first day back over a weekend.

Just what I sent over on the draft originally since he's external affairs. Got an "ok" on the draft when Darryl took it over. But I will make the change.

Hank, why is Hayden the contact. He won't be able to answer questions about the grant. Shouldn't you be the contact?
