Hello, if I purchase a pass as a gift, does it still get activated the day I purchase it?

Yes

it is punched for the month you purchase it in. For example, if you purchase it today, it will be punched for and expire the end of December 2022. Does that make sense?

Oh that makes sense. Thank you for clarifying. Can I purchase at the gate of any State Park? We are in Myrtle Beach.

You can purchase at the park. They will let you know the procedure at the gate.
