---

Hi Katherine,

The SCDOR, State Library and SCDCA presented 5 webinars last week for libraries across the state designed to inform the public on how to enroll in credit monitoring and learn more about how to minimize the effects of a security breach. We contacted the State Library to see if participation numbers were yet available, but Curtis Rogers- who coordinated on their end- is out of the office this week.

Thanks,  
Carri

I apologize for the delay. You along with 500 others were bcc: on this on Friday.

Lots of great feedback from the call and your participation. Thank you again.

Please let me know if you need anything.  
KV
