The Honorable Nikki R. Haley  
Governor of South Carolina  
1205 Pendleton Street  
Columbia, SC 29201

Dear Governor Haley:

Regarding Requiring Students to Pass a Civics Test before Graduating from High School,

I'm in favor of legislation that would require students to pass a Civics test before they can graduate.

I also think that the government run schools have been sadly lacking in the teaching of civics for many years. It is critical to our future that the next generation understands what this country is all about and how the government functions.

A proud member of National Write Your Congressman.

Sincerely,

Laurie Pelletier
