RE: MCO Standard Contract (Wellpath of South Carolina, Inc.) for 2007

Dear Mr. Kerr:

We have reviewed the proposed 2007 Medicaid MCO standard contract for Wellpath of South Carolina, Inc. We found that the contract, which includes the capitation rates, rate range, and methodology that was certified by the actuary, meets the requirements contained in 42 CFR 438 effective August 13, 2003. Based on our review of the submitted documents and information provided by your staff, we approve the contract. The effective date is April 1, 2007, through December 31, 2007.

If any future actuarial study or financial review reveals inaccuracies in the submitted capitation rate cost data, we reserve the right to recover the federal share of any unallowable costs resulting from the inaccuracies. In addition, if errors in the rates are later determined, you will be required to adjust your quarterly expenditure report to the Centers for Medicare & Medicaid Services.

We appreciate the effort and cooperation provided by your staff during our review of this request. Should you have any questions, please contact Elaine Elmore at 404-562-7408.

Sincerely,

*Renard L. Murray*
