"Stay with me, Lord"

Padre Pio

- Stay with Me Lord, for it is necessary to have you present so that I do not forget You. You know how easily I abandon You.
- Stay with me, Lord, for You are my life and without You, I am without fervor.
- Stay with me, Lord, for You are my light and without You, I am in darkness.
- Stay with me, Lord, to show me Your will.
- Stay with me, Lord, so that I hear your voice and follow You.
- Stay with me, Lord, for I desire to love You very much, and always be in your company.
- Stay with me, Lord, if you wish me to be faithful to You.
- Stay with me, Lord, for as poor as my soul is, wish it to be a place of consolation for You, a nest of love.

St. Patrick's Breastplate

This prayer for protection is attributed to St. Patrick and is also sometimes called "The Deer's Cry" or "The Lorica".

I arise today through a mighty strength, the invocation of the Trinity, through the belief in the threeness, through confession of the oneness of the Creator of Creation.

I arise today through the strength of Christ's birth with His baptism, through the strength of His crucifixion with His burial, through the strength of His resurrection with His ascension, through the strength of His descent for the judgment of Doom.

I arise today through the strength of the love of Cherubim, in obedience of angels, in the service of archangels, in hope of resurrection to meet with reward, in prayers of patriarchs, in predictions of prophets, in preaching of apostles, in faith of confessors, in innocence of holy virgins, in deeds of righteous men.

I arise today through the strength of heaven: light of sun, radiance of moon, splendor of fire, speed of lightning, swiftness of wind, depth of sea, stability of earth, firmness of rock.

+ I arise today through God's strength to pilot me: God's might to uphold me, God's wisdom to guide me, God's eye to look before me, God's ear to hear me, God's word to speak for me, God's hand to guard me, God's way to remain before me, God's shield to protect me, God's host to save me from snares of devils, from temptations of vices, from everyone who shall wish me ill, afar and near, alone and in multitude.

Christ to shield me today against poison, against burning, against drowning, against wounding, so that there may come to me an abundance of reward. Christ with me, Christ before me, Christ behind me, Christ in me, Christ beneath me, Christ above me, Christ on my right, Christ on my left, Christ when I lie down, Christ when I sit down, Christ when I arise, Christ in the heart of every man who thinks of me, Christ in the mouth of everyone who speaks of me, Christ in every eye that sees me, Christ in every ear that hears me.

I arise today through a mighty strength, the invocation of the Trinity, through belief in the threeness, through confession of the oneness, of the Creator of Creation.
