Subject: my visit next Thursday

John,

I am looking forward to my visit next Thursday. Erica Brown enthusiastically accepted the innovation fellow offer, and she will accompany me as well. I am going to fly into Charlotte Wednesday night and then drive down to Columbia Thursday morning. So let's say that I am available from 10:00am to 5pm next Thursday (I can make it earlier that morning if necessary)

As we discussed, we could structure the discussions as something like the following:

Introductions, plus you providing a bit of policy context (Governor's broader health and education agenda for example). 30 min.

I lead a discussion of my take on the Joe Waters work and other evidence on early childhood interventions. 60 minutes.

What it takes to develop a SIB, review of the process other states have gone through, and initial development of SC work plan for the coming year. 75 minutes.

I could also do 45 minutes of SIBs 101 if you think that would be helpful, either at the beginning or somewhere in the middle.

And if there are other people you want me to meet separately while I am in town -- folks in the budget office or where ever, please feel free to schedule me aggressively -- once I've done the traveling, I am happy to be scheduled solid for the full day.

Jeff
