**Subject:** 2015 Famously Hot New Year Celebration

---

Hey Katherine-

I hope that you are enjoying a wonderful holiday season. I wanted to reach out and extend an invitation from Mayor Benjamin and our office to Governor Haley and her family to attend the Famously Hot New Year celebration. We would be happy to host South Carolina's first family and provide the necessary arrangements to accommodate them.

If interested and available, please don't hesitate to give me a call.
