Holly,

We asked for it not to be pushed live until shortly before the press conference. We were very careful not to make this changes before we thought they would be approved to do so. I can make sure it happens at 8:30 in the AM now if you would rather that be the case.

Checks should be made to CCCF as that is the fiscal agen supporting the fund where possible but in my experience it hasn't been a problem with the fund name attached. I will however let Jenni or Heather confirm that.

Do you want the redirect to the website onesc fund to happen well before the press release- by 9 am?

What time will the onescfund.org be live tomorrow? We are nervous to push it out with it still not working.
