Looks OK to me.

I copied Sen. Knotts, the Governor's letter from DOT re: sanctions.  
He called back and claimed he was OK now, that we'd convinced him that  
it was OK.

Told him if he wouldn't have delayed it, might have passed and we  
wouldn't have this threat hanging over our head.

He's OK....

rick

Rick, This will be sent to FMCSA, Washington, to make sure we have  
covered all audit, regulation and mcsia requirements. <<CDL Legislation  
for 2005 Revised 10-22-04.DOC>>
