**Salt (NaCl) - Commodity**

**IN BENEFIT OF THE PEOPLE OF ANSE ROUGE, HAITI**

# ABOUT

**L**ocated in Artibonite, 1 of the 10 Departments in Haiti, 46km from the city of Gonaives, sits a town called Petit Carenage, Anse-Rouge .

**W**ithin Petit Carenage sits over 10,000 acres (4232 Hectares) of what is considered one of the best salt production sites to date .

**T**he people of Petit Carenage, using manual labor, harvest and manufacture various Salts

produced, such as: Rock Salt, Sea Salt and Cristallisoir (Recrystallized Salt), etc. The production site has the ability to produce thousands of tons upon request .

P&P Exports Inc. (a Minority owned company located in Florida) is the sole supplier of this salt produced and all dealings and outside requests from other entities.

The various salts are distributed, marketed and labeled as PC Salts, which is a product of P&P Exports Inc .

# PURPOSE

**T**he purpose of P&P Export's need for a partnership, vendor relation or long term contract is to be able to provide the people of Petite Carenage, Haiti a better way of life. This relationship will yield jobs, schools, food for the needy, hospitals, medication, water, etc. for the city and those nearby. The population there is about 155,000+.

**T**he benefit of being in collaboration with P&P Exports, Inc. is to assure our partners constant communication throughout dealings, invite offers, ideas and suggestions. We are not closed to negotiations and have varied pricing depending on volumes purchased. This includes shipping costs for exportation.

# CHALLENGE

At this present time, the challenges we face are the lack of:

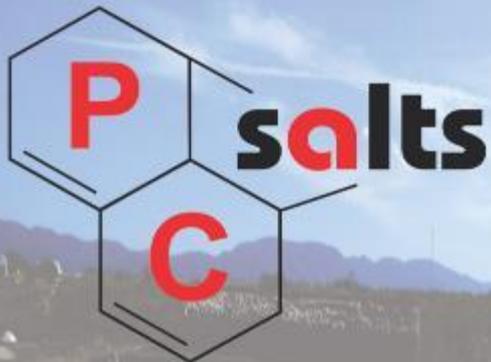

- Land Delivery
- Limited machinery (95% manpower)
- Insufficient storage space for the salt produced

# OUR GOAL

In closing, our ultimate goal is to develop long term relations with key partners, vendors and others. P&P Exports, Inc. is not in the business of expanding its pockets but to aid and ameliorate those who are in need for a new way of life and expose the beauty, taste and richness of the salt that Petite Carenage has to offer.
