The morning of the 26th looks good and all day on the 27th – for now, anyway.

If I don't get back to you by the 11th, ask me again about getting together late next week, then – thanks.

Hey Christian,

Thanks for the update! No worries – I'm sure you noticed on today's call we are still in the back-and-forth round. I did receive an update on scheduling the next in-person meeting. How does your calendar look for June 26th and 27th? Will you still be here? I think meeting up later next week would be useful – I'll be out of the country from June 16-20.

Thanks!

I've been on the call but have to jump off now for another meeting. This is the last week of session, which will keep me pretty tied up – and then I'll be on the 5-day clock for budget (and other legislative) vetoes...those will likely be due mid-next week. So I know we haven't caught up one-on-one on this for a little while, but I should be able to late next week. Sorry/thanks.
