OK, RV campers, I need your help. We have park visitors who are undecided about whether to camp at Table Rock or Oconee this summer. They are RV campers, with kids. Out of Table Rock and Oconee which campground would you recommend to them and why?

Aundria Cooper Premo Table Rock, because we had fun and I've never been to Oconee.

Marvin Hill Oconee by far for its a family campground by far and has so much to do..kids, and their parents or grandparents , really love it.

Susan Hedgepath Chapman If they are looking for easier, casual hikes Oconee. For more strenuous hikes, Table Rock.

Dean M Spencer Oconee, hands down.

Hope Lane Addis Oconee....it is one of the BEST State Parks in South Carolina....the camping area is peaceful, there is so much to do and see @ Oconee State Park....the lake for one with its swim platform and diving boards, the "game" area, the barn, the playgrounds are great and it is a wonderful quiet place for kids to ride their bikes! And if you ever go there on a holiday...almost every campsite is decorated...we have been several times for Halloween weekend... And the kids trick or treat! It rained the last year we went...all weekend long....but it was one of the best camping weekends we have ever had!

Chris Laundra Oconee, because we don't want too many people at Table Rock, we want Table to ourselves. lol

Gail Hicks I like both but if you have hikers Table Rock and there is a pond to fish in, younger kids Oconee. At Oconee you also have the fish hatchery, Stump House Mtn, the falls and tubing on the river and trout fishing close by.

Nancy Stone Penchev Table Rock..there are amazing trails, great bike riding, swimming and water play area...and history that is great...and I got married there!

Josie Price Table Rock's sites are too tight. Oconee is WAY better! Loved it this June.

Scott Whaley Oconee, campsites are bigger, nice swimming area, alot more to do at oconee, the rec building, carpet golf, basketball and the big grass area next to the office fun to play on.

Bob Bannister The better campground is Oconee, but the better state park is Table Rock.

Michelle Blanton Bourguignon Oconee is the best of both worlds. They have a lake to swim ,plenty play ares and they have mini .. golf.It is very shady and they have square dancing every Friday night.Fun place!

at 0:21:40 on 7/22/2011 UTC

Dianna Turman Flake Oconee, because it's more fun to try and pronounce.

at 0:32:21 on 7/22/2011 UTC

Robin Stewart Floyd Oconee. The campground is closer to the swimming lake and a fishing lake is at the campground. Sports facilities are also at the campground. Don't forget the square dancing on Friday nights. My family has experienced our greatest times at Oconee. Also the store and the bicycle parade on the Fourth of July. I should have just said everything is centrally located. My choice by far and I live between the two with Table Rock only fifteen minutes away and Oconee over an hour.

Jonathan H Harwell a related question...where's the best hike with a wilderness swimming hole within reach of greenville, please?

at 0:43:48 on 7/22/2011 UTC

Bret Russell Moon Oconee seems to be easier to get rv's in and out of.

at 0:51:20 on 7/22/2011 UTC

Brooks Wade It's simple. Devils Fork!
