Subject: Decker Paulmeier

Hello Mrs.Veldran this is Orchid and Michael's son Decker. I wanted to follow up with you on a possible summer internship this year. It would be an honor to be able to learn more how our state government and most importantly how our election process works. I am very qualified to help in any form or fashion in the governors office. I am currently the top of my class with a 5.045 gpa. I also take part in a numerous amount of extra curricular activities. I am currently a member of my schools youth in government club where I won a outstanding statesmen award at the state conference and was nominated to be a member of our states national conference delegation. I am a member of the Model UN club where I led my delegation to a honorable designation at the Georgia Southern High School Model UN. I am a member of my high schools DECA chapter where I am a part of the officer team. I also participate in my schools interact club as well as two sports, football and lacrosse. In addition to these extracurricular activities my research conducted with a partner on stealth aircraft won our regional science fair and is currently sending us to Intel's International Science and Engineering Fair in Pittsburgh this may. I am a dependable and responsible student that could be a major help at the governors office in any capacity needed. I hope you consider me as a possible intern for the governors office this summer. If you need to you can contact me at this number or my email dmpaulmeier@gmail.com. Thank you for your consideration and I hope you have a nice day.

Sincerely,
Decker Paulmeier
